

Bulgarian Online Championship 2016 (EBIF)

For participation in the tournament the naming of a nationality- independent from the place of residence - has to be provided. Players with other nationalities may participate if they see their center of life in the country and if they will not take part in or for another state association in the future.

The tournament will start on 01.02.2016 . The duration of the tournament depends on the number of participants.

The tournament will be played in threetimes-Ko - mode: Each participant plays until he has either lost 3 times and is therefore eliminated or the only participant with fewer defeats wins the tournament. All pairings are played to 13 points . The draw for the pairings will be made round by round according to the Swiss system tournament software by Hans-Jürgen Werner. A tie-breaker rating does not take place . The calculated performance rate has no influence on the outcome of the tournament . In addition, the EBIF tournament rules apply.

For the rating of the tournament count the matches won . Both the match points of the individual matches and the performance ratings have no effect on the tournament.

All matches are played to 13 points . The matches will be played at GridGammon . The nick name for GridGammon is recorded and published at registration. Participants without an account at Gridgammon are asked to make a request - mentioning the participation in this EBIF Tournament - at support@gridgammon.com .

The result of the game has to be reported using the ebif website with **Your Personal Login** . The game reports have to be attached and will be evaluated with eXtreme Gammon and results will be published .

The three top-ranked participants of the tournament are rewarded with individual certificates. If there are more than 16 Players. 1st price 50%, 2nd 30% and third 10% - if there are less than 16 players first place 60% and second 30%.... 10% is registry.
